

Leasing & Lending Solutions for Business Aircraft

Capitalized by three global investment firms, and managed by a team of industry veterans, Global Jet Capital is committed to providing a full range of customized financing solutions solely for business aviation. This, combined with our unparalleled asset management expertise, allows us to offer clients flexible lifecycle solutions to fit their individual and changing aviation and financial requirements.

Why Global Jet Capital?

A wide range of financial solutions. From Pre-approvals, Equipment Upgrade Financing and Standard Loan Structures to our flexible and innovative Global Jet Capital Operating Lease, we have the solutions to simplify your next business aircraft investment.

Why a Global Jet Capital Operating Lease?

A Global Jet Capital Operating Lease provides an ownership experience without being in the full business of owning an aircraft which includes the following benefits . . .

- **Optimize your return on capital.** Invest your capital to maximize your return. Deploy our capital for your depreciating asset – the business jet.
- **Minimize the risks of aircraft ownership.** Let us worry about the volatility of aircraft values and selling the aircraft when you are ready, while you enjoy the advantages of a business jet.
- **Privacy, flexibility and speed.** As a non-bank financier, Global Jet Capital can design a bespoke solution for your unique needs, maintain the utmost privacy and move quickly through a streamlined underwriting process.

Who is Global Jet Capital?

- Backed by leading private equity investors The Carlyle Group, FS/KKR Advisor LLC, a partnership between FS Investments and KKR Credit, and AE Industrial Partners.
- \$2 Billion in business aircraft under management, \$1 Billion in immediately deployable capital for new financings.
- A trusted business aviation expert with thousands of business jet transactions completed.
