

TRAUM SAFE

World's Finest Luxury Home Safes

Established in 1991, TRAUM SAFE is the world leader in high security, luxury safes for affluent families. Our mission is to provide our discerning clientele with intelligent solutions to protect, organize and enjoy their most precious valuables in the comfort and privacy of their own home. Our safes last a lifetime. Creating the perfect solution for our clients is our driving passion.

SECURITY

With Swiss precision engineering & state-of-the-art technology, TRAUM SAFE provides the highest level of protection for fire and burglary.

Our safes offer strategically planned defense with massive layers of high resistance panzer, specialized steel alloy and armor plates.

LUXURY

Hidden behind the refined lacquer and formidable armor is a luxurious interior designed specifically for you. Whether you need trays for jewelry or watch winders for automatic winders, we will custom design a practical interior to organize and display your personal collection.

Our complimentary design service helps you choose from a wide variety of finishes - classic to contemporary - to match your beautiful surroundings.

CONVENIENCE

The hallmark of TRAUM SAFE is simplicity of use. Our advanced locks will shut the world out but let you in with ease. From locks that are set at a viewable angle to illuminated interiors, our goal is to make it convenient for you to access your jewelry and watches at a moment's notice.

Our services are discreet. All inquiries and purchases are kept confidential.
