YOUR PERSPECTIVE

*Transforming the face of
private wealth technology*

Manage complex wealth through a single, *integrated* solution...

Archway Technology Partners, LLC (Archway) is a technology firm whose software solution supports the accounting, investment management and reporting functions for family offices, private banks, private wealth advisors and fund administrators. Archway's primary objective is to help private wealth management firms better serve their ultra-high net worth clients through a single, integrated technology offering.

Archway's proprietary software solution is designed to efficiently handle complex partnership, portfolio and corporate accounting alongside bill payment, investment management and multi-asset class data aggregation. Clients can choose to operate the web-hosted technology platform themselves through a software-as-a-service deployment or leverage Archway's high-touch client service team for fully outsourced consolidated investment reporting, bill payment and partnership accounting services.
