ARCHWAY

Transforming the face of private wealth reporting

Manage complex wealth through a single, *integrated* solution...

Archway Technology's comprehensive suite of technology and service solutions has been purpose-built to serve the full universe of private wealth aggregation, accounting and reporting needs through a single, integrated, web-based platform.

The proprietary platform seamlessly supports complex partnership, portfolio and internal accounting capabilities alongside performance/risk reporting, modeling/rebalancing, client fee billing, investment management and multi-asset data aggregation enabled by direct electronic feeds with leading banks and custodians.

The largest, most established provider focused exclusively on the ultra-high net worth market, Archway currently reports on over \$200 billion in assets across hundreds of clients, including many of the largest Single- and Multi-Family Offices in the world, leading global Private Banks, RIAs, Investment Advisors, Foundations, Hedge Funds and CPA Firms.
